

Terms of Use for Melo

Last updated: 24 September 2026

These Terms of Use ("Terms") govern your access to and use of the Melo mobile application, bundle ID `com.partygee.melo.partygame` ("App"), provided by GAMEGEE SPÓŁKA Z OGRANICZONĄ ODPOWIEDZIALNOŚCIĄ ("Gamegee", "Partygee", "we", "us" or "our").

By using the App or completing a purchase, you agree to these Terms. If you do not agree, do not use the App or make a purchase.

1. Provider Details

GAMEGEE SPÓŁKA Z OGRANICZONĄ ODPOWIEDZIALNOŚCIĄ

Augustyna Szamarzewskiego 21/2

60-514 Poznań, Poland

NIP: 7792567794

REGON: 527948722

Email: partygee.store@gmail.com

2. Age and Responsible Use

Melo is a party game for entertainment and is intended for users aged 16 or older. Some content, decks or categories may be marked as 18+ and are intended only for adults aged 18 or older. If a higher minimum age applies under local law or the app-store rating, the higher age applies.

Players are responsible for their own choices and actions. All participants must freely consent and may refuse or stop any question, challenge or interaction at any time. You must not use the App to encourage illegal, dangerous, reckless, non-consensual, harassing or harmful conduct.

3. Licence and Intellectual Property

We grant you a limited, personal, revocable, non-exclusive, non-transferable licence to install and use the App for private, non-commercial entertainment.

You may not copy, sell, rent, sublicense, commercially exploit, reverse engineer, bypass access controls, scrape content, interfere with security or use the App in a way that violates law or third-party rights.

The App, including its software, decks, questions, challenges, graphics, names, logos and other content, is owned by or licensed to Gamegee and is protected by intellectual-property laws. "Partygee" and "Melo" are trademarks or commercial designations belonging to Gamegee or used by Gamegee under an appropriate right.

4. Premium Features and Subscriptions

Some Melo features may be free. Other features, decks or unlimited access may require a paid subscription.

The exact subscription, billing period, trial, introductory offer, price, currency and included benefits are shown in the App and on the Apple App Store or Google Play purchase-confirmation screen before purchase. That purchase screen prevails if it differs from a general description in these Terms.

All purchases are processed by Apple App Store or Google Play. Payment is charged to your store account when you confirm the purchase. We do not receive your full payment-card or bank-account details.

Unless the purchase screen states otherwise, subscriptions renew automatically until cancelled. By confirming a subscription, you acknowledge that it is recurring, that it will renew automatically, and that you are responsible for cancelling before the store's deadline if you do not want the next renewal.

To reduce the risk of an unwanted renewal, cancel at least 24 hours before the end of the current billing or trial period. Deleting the App, clearing app data or ceasing to use the App does not cancel a subscription.

5. Free Trials, Promotions and Price Changes

If a free or discounted trial is offered, its duration and terms are shown before purchase. Unless cancelled before the applicable deadline, the trial converts into a paid, automatically renewing subscription.

Promotional prices apply only to eligible purchases made during the promotional period. Except where required by law or store policy, a later discount does not create a right to a retroactive discount or refund.

Subscription prices may change for future billing periods. Apple or Google will provide notice and request consent where required by law or store rules.

6. Cancellation and Refunds

You may cancel automatic renewal through the subscription settings of the store account used for purchase:

Apple App Store: <https://support.apple.com/en-us/118428>

Google Play: <https://support.google.com/googleplay/answer/7018481>

Cancellation normally takes effect at the end of the current paid period. It prevents future renewals but does not, by itself, reverse a completed charge or create a right to a partial refund.

Apple and Google provide the primary refund process:

Apple App Store refunds: <https://support.apple.com/en-us/118223>

Google Play refunds: <https://support.google.com/googleplay/answer/15574897>

Refund eligibility and decisions are governed by the applicable store policy and mandatory law. Gamegee does not offer separate discretionary refunds outside the applicable store process for purchases billed by Apple or Google. Nothing in these Terms limits any mandatory consumer right, refund right, withdrawal right or conformity right available under applicable law.

7. Digital Content and Withdrawal Rights

Premium features and digital content are made available immediately after a successful purchase or restoration of entitlement.

Where required by law, you may be asked to expressly consent to immediate supply and acknowledge that, once supply begins, you lose the statutory right to withdraw from the contract for that digital content. Payment alone does not replace any separate consent or acknowledgement required by mandatory law.

8. Availability and Changes

We may update, change, add or remove features, decks or content, fix errors, or discontinue the App where reasonably necessary for technical, legal, security or business reasons.

We do not guarantee that the App or every feature will always be available on every device, operating-system version, language or country. Any mandatory consumer remedies remain unaffected.

9. Privacy

Our processing of personal data is described in the Privacy Policy for Partygee Applications, available from the App and at:

<https://www.melopartyapp.com/privacyPolicy.pdf>

Acceptance of these Terms does not constitute consent to optional data processing where separate consent is legally required.

10. Liability

We provide the App with the level of care and conformity required by applicable law. Gamegee is not responsible for voluntary acts performed by users or participants outside the technical operation of the App.

To the maximum extent permitted by law, Gamegee is not liable for harm caused by illegal, dangerous, reckless or non-consensual conduct, failure to follow safety warnings, indirect or unforeseeable loss not caused by Gamegee's breach, unauthorised commercial use, or failures caused by stores, networks, devices, operating systems or other third-party services outside our reasonable control.

Nothing in these Terms excludes or limits liability that cannot legally be excluded, including mandatory consumer rights, fraud, intentional misconduct, or liability for death or personal injury caused by negligence where applicable.

11. Complaints, Law and Contact

For purchase, billing, cancellation or refund issues, first use the support process of the store that billed you. For App functionality, missing premium access or other complaints, contact partygee.store@gmail.com.

These Terms are governed by Polish law. If you are a consumer, this does not deprive you of mandatory protections under the law of your country of habitual residence.

We may update these Terms for legal, technical, security or business reasons. The current version will be made available in the App or through the link presented there.
